Reference: August Monthly Report (7/01/00-7/31/00)

Dear Ms. Mattoon:

On October 18, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 1, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your Event Year-to-Date calculations for Administrative/Voter Drive still appear to be incorrect. Event Year-to-Date totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year for the whole Administrative/Voter Drive category, and should be calculated by adding the latest disbursement for the category to the previous Year-to-Date total for that category.

The last report your committee reported allocated Administrative/Voter Drive costs on was the April Monthly Report (3/1 - 3/31/00) in which the ending Year-to-Date total for the category was \$13,112.26. As your August Monthly Report (7/1 - 7/31/00) is the first report since the April Monthly Report to allocate Administrative/Voter Drive costs, the first disbursement for the Administrative/Voter Drive category should be added to the previous Year-to-Date total of \$13,112.26 for the new Year-to-Date total to be forwarded.

Please amend your report by providing the correct Administrative/Voter Drive Year-to-Date totals.

An adequate response must be received at the Commission by December 12, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Thomas F. Maxwell, III on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,
